

I like to draw beautiful pictures.

I like to eat candies. 

I like to watch movies

And I like to bake with my mum in the kitchen. 

My grandma likes to cook delicious food.

She likes to eat fruits. 

She likes to play with me

 And she likes to drink hot tea while eating.

A puppy likes to run around.

It likes to sleep. 

It likes to play 

And it likes to jump around in my house.
