

I like to sing beautiful songs.
 I like to make chocolate muffins.
 I like to read books
 And I like to eat delicious ice cream in summer.

My litter sister likes to dance.
 My litter sister likes to make cakes.
 My litter sister likes to play
 And she likes to swim in the pool.

A dog likes to eat meat.
 A dog likes to bark at people.
 A dog likes to run around

And it likes to chase cats everywhere it goes.
